

RL4-66

Ringlight

Incident light microscopy
For 66mm diameter stereo's

Ring Light Properties

Number of LED	48
Max power consumption	7 W
Working distance range	ca. 50 mm - 150 mm
Optimum working distance	80 mm
Colour Temperture	Pure Whire - 6000K
Clamp Screw thread	M67 × 0,75
Length of feed line	0.8m
Outer diameter ring light	99 mm
Height ring light	25.5 mm
Inner diameter ring light	66 mm
Clamping diameter max	66 mm
LED life span	50.000 h
Material	Anodized aluminum
Weight ring light	230 g

Table Control Properties

Dimensions table control (LxWxH)	78 mm × 38 mm × 21 mm
Weight table control	50 g

PSU Properties

Input power supply (EU UK US)	100 - 240 V AC, 50/60 Hz
Output power supply	24 V DC, 1 A
Cable length power supply	1,4 m

What's in the box:

- RL4-66 Ringlight
- Mains Power Supply
- Table Controller
